THE CHARTER TOWNSHIP OF TALLMADGE, COUNTY OF OTTAWA, AND STATE OF MICHIGAN ORDAINS:

Section 1. Home Occupations. Section 3.15 of the Zoning Ordinance shall be amended to state in its entirety as follows.

**SECTION 3.15. HOME OCCUPATIONS.**

- (a) Except as otherwise provided in subsection (b) below, all home occupations shall be subject to the following restrictions and regulations.
  - (1) The home occupation shall be conducted wholly within the home building by members of the family residing in such building.
  - (2) The home occupation shall occupy no more than twenty (20) percent of the usable floor area of the home building; provided, however, that in no event shall the home occupation occupy more than three hundred (300) square feet.
  - (3) No rooms which are constructed or erected as an addition to a home building, or constructed or erected by the conversion of a garage or other part of a home building not included in the usable floor area of the home building, shall be considered as part of the usable floor area until two (2) years after the date of the completion thereof as shown by the records of the Zoning Administrator.
  - (4) For purposes of identification, one (1) non-illuminated name plate not exceeding four (4) square foot in area shall be permitted in connection with the home occupation. Such identification name plate shall identify only the name and profession, vocation or trade of the person or persons operating the home occupation. No other sign shall be utilized in connection with such home occupation.

- (5) No motors other than electrically operated motors shall be used in conjunction with the home occupation. The total horsepower of all electrical motors utilized in the home occupation shall not exceed three (3) horsepower. No single electrical motor used in the home occupation shall exceed one (1) horsepower. All electrical motors and equipment used in the conduct of the home occupation shall be shielded so as not to cause radio or television interference for adjoining properties.
  - (6) In no event shall the use of a home building for a home occupation alter the residential character of the home building.
  - (7) No merchandise or articles for sale shall be displayed on the lot utilized for the home occupation.
  - (8) No article or material used in connection with the home occupation shall be stored other than in the home building.
  - (9) The home occupation may increase vehicular traffic flow and parking by no more than two (2) additional vehicles at a time. Any need for parking generated by the conduct of such home occupation shall be met off the street and in areas other than in the required front yard.
  - (10) There shall be no deliveries to or from a home occupation with a vehicle having more than two (2) axles.
  - (11) In no case shall a home occupation be open to the public earlier than 7:00 AM nor later than 9:00 PM.
  - (12) A home occupation shall not create noise, dust, vibration, smell, smoke, glare, electrical interference, fire hazard, or any other hazard or nuisance to any greater or more frequent extent than would normally be generated in the zoning district in which it is located.
  - (13) Certain uses, by the nature of their operation, have a pronounced tendency to increase in intensity beyond the limits permitted for home occupations, thereby impairing the reasonable use and value of surrounding residential properties. Therefore, the following uses shall not be permitted as home occupations: hospitals and medical clinics, nursing homes, mortuaries and funeral homes, tea rooms, barber shops, antique shops, bed and breakfast establishments, restaurants, private clubs, veterinary clinics, vehicle repair shops, landscape installation and maintenance businesses, snow removal businesses, construction contractors, trailer rentals, and repair shops in general.
- (b) Home occupations for the medical use of marihuana shall be subject to this Section 3.15. If there is a conflict between subsection (a) above and this subsection (b), or between any other provision of this Ordinance and this subsection (b), this subsection shall control. If there is no conflict, the medical marihuana home occupation must comply with both subsection (a) and this subsection (b).

- (1) For purposes of this subsection, the following words and terms shall have the following definitions.
  - (i) General rules: the general rules of the Michigan Department of Community Health, issued in connection with the MMMA.
  - (ii) Marihuana: also known as marijuana, also known as cannabis; shall have the meaning given to it in section 7601 of the Michigan Public Health Code, Public Act 368 of 1978, MCL 333.7106, as referred to in section 3(d) of the MMMA, MCL 333.26423(d). Any other term pertaining to marihuana used in this Ordinance and not otherwise defined shall have the meaning given to it in the MMMA or in the general rules.
  - (iii) Medical use of marihuana: the acquisition, possession, cultivation, manufacture, use, internal possession, delivery, transfer, or transportation of marihuana or paraphernalia relating to the administration of marihuana to treat or alleviate a registered qualifying patient's debilitating medical condition or symptoms associated with the debilitating medical condition, as defined under the MMMA.

Nothing in this section or in this Ordinance is intended to grant, nor shall this section or this Ordinance be construed as granting, immunity from criminal prosecution for growing, selling, consuming, using, distributing, or possessing marihuana not in strict compliance with the MMMA and the general rules.
